Subject: A few final records to clean up
Attachments: LD recall Qlik data 9_30_2020.csv

Hey Joel,

I've finished my run through of the Recall data and have a few fields that need your attention (highlighted in yellow). I'm thinking/hoping that this will be the last clean up iteration. Once we have these, I'll reload the data again, then I think we'll be good to go with the rest of the process.

Thanks, Ching-shih
